

Proposed Recommendation from the Inspector of Prisons investigation report on  
Death in Custody of prisoner “Mr. F” 03/05/19

The Recommendations submitted by the IOP have been review and considered. The table below is a summary of proposed actions based on the investigation of the IOP in respect of the Irish Prison Service. The table also suggest timelines and action owners for completing the necessary actions.

No	IOP Recommendations	Irish Prison Service Response	Action Required	Action Owner	Timeline
1.	The IPS should ensure that all persons receiving Reviewable Temporary Release (RTR) are made aware of the terms of their release in writing and that they sign the relevant form acknowledging their understanding of the terms of their release. A copy of the signed form should be retained by the Prison as evidence that this had been done.	Accepted	It is standard practise that all prisoner receiving temporary release sign the temporary release form and had the conditions attached to the temporary release explained to them	Operations	Complete

## IOP Proposed Recommendations Action Plan

2.	The IPS should put appropriate governance procedures in place to ensure that the required Doctors Committal Interview section in PHMS is completed and addresses the requirements of Rule II of the Prison Rules 2007-2017 for all persons admitted to Limerick Prison.	Accepted	<p>“All doctors working in a prison, both staff and locum doctors are required to complete the Doctors Committal Interview on PHMS, as part of the medical committal process, in line with good record keeping requirements and have been reminded of this on a number of occasions.</p> <p>The Executive Clinical Lead has reminded the doctor in Limerick Prison of the requirement in this regard”.</p>	Healthcare	Complete
