

Proposed Recommendation from the Inspector of Prisons investigation report on
Death in Custody of prisoner “Mr K” 27/07/2019

The Recommendations submitted by the IOP have been review and considered. The table below is a summary of proposed actions based on the investigation of the IOP in respect of the Irish Prison Service. The table also suggest timelines and action owners for completing the necessary actions.

No.	IOP Recommendations	Irish Prison Service Response	Action Required	Action Owner	Timeline
1.	A portable alert device should be available to prisoners who are incapacitated and incapable of reaching the in-cell call bell alert system. [Page 9]	Accepted	A suitable and appropriate cell call system for people with reduced mobility will be identified by the Irish Prison Service. This will facilitate prisoners to alert staff from all areas of the cell accommodation. This facility will be integrated into any cell allocated for people with disabilities.	C&R/BSD	New system to be identified and approved by end of May 2021. Installation across the estate to be completed by end OCT 2021.
