

Proposed Recommendation from the Inspector of Prisons investigation report on
Death in Custody of prisoner “Mr C” 16/03/2019

The Recommendations submitted by the IOP have been review and considered. The table below is a summary of proposed actions based on the investigation of the IOP in respect of the Irish Prison Service. The table also suggest timelines and action owners for completing the necessary actions.

| No. | IOP Recommendations | Irish Prison Service Response | Action Required | Action Owner | Timeline |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|------------|
| 1. | The IPS should review its procedures in relation to handcuffing and escort procedures regarding hospital escorts and consider making specific provision for safe and secure custody of gravely ill prisoners in a humane manner. (Page 09) | Accept | The Operations Directorate’s “Escorting of Prisoners Policy” was due for review in April of 2021. We will review this policy by April 2021 and take the recommendation on board | Operations | April 2021 |
